Living

Referrals

Referrals for Therapeutic
Foster Care **2,936**

Referrals for Residential
Care **1,604**

As a partner with Kentucky's Department for Community Based Services, we receive thousands of referrals each year to provide care for children and youth who need our help, as well as family support. Our admission/discharge/transfer team reviews each referral carefully to determine what the best path forward is for the child/youth and if they will be admitted into our care for treatment.
